This is a duplicate form, one of which you sign for our records and the other for you to keep and refer to should you have any questions.

YOUR Part to a Successful Placement:

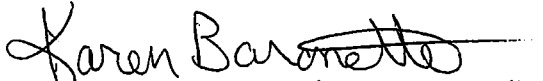

- Be prompt, prepared and dress professionally for your appointments and interviews. **FIRST IMPRESSIONS** are an integral part of your career search.
- If employed, let us know if your current employer is aware of your search.
- **No direct contact to our client should be made without our prior knowledge and consent.** If the company contacts you directly, please let us know. If you accept employment with a company we refer you to within 12 months of the date of our referral, let us know right away. Failure to do so may be grounds for immediate termination and ineligibility for rehire in the future. The hiring employer will owe a fee.
- **Touch base with Charlotte (Department Support Specialist) every few weeks if you haven't heard from us.** This helps your file remain active in our system. If you are asked to leave a voice mail of your availability, we will update your file in the database when we get the message. We won't return the call unless otherwise requested for another reason.
- Notify us right away if your situation changes or you find employment elsewhere.

Our Role:

- Make the best possible match between our clients and our candidates.
- Present your resume to our client in anticipation of scheduling an interview.
- Market you to clients with which we have a relationship and feel a fit for your skills and experience.
- Maintain confidentiality of your career search.
- Do everything we can to help you prepare for interviews, occasionally making suggestions regarding the content and appearance of your resume.
- **If both parties are interested in brokering a deal, we handle the negotiations for you and try to get you top dollar.**

Policies and Procedures Checklist

___ I understand my employment with JSPS is on a temporary basis and 40 hours per week is not guaranteed.

___ As an employee of JSPS, we will make every effort to put you to work. Your **attitude, flexibility and job performance** are helpful in our determining how we market you to our customers. First impressions are very important to us!

___ I understand that I am an employee of JSPS. Only JSPS or I can terminate my employment for any given reason. I understand that I am expected to complete any job assignment, unless approved by JSPS staff. If I do not complete an assignment without contacting JSPS, they will assume I have voluntarily quit. Failure to do this may be grounds for termination. **Do not accept an assignment if you will not be able to complete it!!!**

___ I understand that if I do accept an assignment and when my assignment ends, I must report immediately to JSPS's office for my next job assignment. Failure to do so will indicate that I have voluntarily quit. Refusal of jobs may jeopardize my right to unemployment benefits after termination from JSPS.

___ **If a client should offer you a full-time position, call JSPS for instructions.** I understand that before I go full time with a company through JSPS, I am to fulfill the required minimum of 12 weeks (480 hours) before going on the company's payroll as a full-time employee, unless told otherwise.

___ I understand that if I am referred to any JSPS client company and am contacted by the client for any position without JSPS's knowledge within 12 months of the referral date, I am required to contact JSPS right away. **Failure to do so may be grounds for immediate termination and ineligibility for rehire in the future.**

___ JSPS has a very strict "NO DRUG POLICY". I have signed a consent form to submit to drug testing. I understand that failure to comply with this agreement will be grounds for my immediate termination.

___ **If for some unexpected reason, such as an emergency or illness, I cannot make it to work or will be late, I will contact JSPS as soon as possible so JSPS can call the customer and/or find a replacement. If I have to call after hours, I will leave a clear and complete message with the answering service.** Even if the JSPS customer tells me to call them if I am going to be late or absent, I am still required to call JSPS. My failure to do so may be grounds for termination. If I am calling for anything other reason than an emergency, I will leave a clear message along with my first and last name on the JSPS voicemail.

___ If I sustain an injury on the job, I will inform the customer and JSPS **immediately** after the accident. JSPS will coordinate with me and their customer the proper procedure for treatment and report of the accident. Failure to do so may be grounds for immediate termination.

___ I have read and fully understand the above statements regarding JSPS policies and procedures. I understand that failure to comply with these policies and procedures could lead to my termination and may jeopardize my unemployment benefits. Please understand that your signature below means that you understand and are responsible for all the information on this checklist. Any information that is falsified in this application could lead to termination. If you have any questions, please ask for clarification **before signing** below.
